

Floor standing 50 inch digital signage

Type: LED
Model: TP-50

Product feature description

Thin frame thickness<50mm

WiFi

Specification

Display			
LCD Size	50inch	Light Source	LED
Resolution	1920*1080	Light	500cd/m ²
Ratio	4000:1	View Angle	178° (H) /178° (V)
Color saturation	68%	Active Size	1075.5mm (L) *607mm (W)
Color depth	10 bit/1.07 billion	Life	> 60,000(hrs)
Glass	4MM, physical tempered Morse 7 explosion-proof, light transmittance >92%	Power supply	USB(USB power supply)
Touch accuracy	<2mm	Voltage	DC 5.0±5%
Response time	6 ms	WIFI	√
System			
Android 7.1			
CPU	Quad-core ARM Cortex-A17	Storage Medium	SATA Hard Disk /SD Card/USB Device
Memory Chip	DDR3 SDRAM 2+8G	Advertising	Web publish
Flash Chip	1G NAND Flash Chip	Language	Chinese/English ect.
Interface Parameters			
USB 2.0	1	HDMI	1
USB 3.0	1	RJ45/LAN	1
TF Card slot	1	1KVA UPS	Built-in
Document format	pictures, audio, video,PDF, webpage, live video etc.		
Power supply and working environment			
Voltage input	AC 100V-240V 50/60HZ	Power consumption	≤250W
Speaker	2*5W 8Ω	Working Temperature	-10°C—50°C
Storage Temperature	-20°C—60°C	Warranty	1 year

Physical size and packaging			
Product size	707mm*460mm*1850mm (with base)	Packing	Base placement
Packing size	1900mm*795mm*210mm	Color	Black
Net weight	52Kg	Gross Weight	63Kg
Function			
<ul style="list-style-type: none"> • Supports centralized management of multiple screens, such as scheduled startup/shutdown, quick startup/shutdown, brightness/volume adjustment, and screenshot preview. • Supports remote program release and local (USB) program update. • Have security levels and mechanism/ control to manage publishing material. 			
Content Management Software			
iDS6			
<ul style="list-style-type: none"> • Supports martial to publish including picture, video, audio, TXT file, document, static web page, Android APP, streaming Server, network camera, URL, etc. • Supports upload up to 500 files in 4K resolution • Supports managing up to 500 programs and schedules. • Supports creating normal program (including single-sided screen program and double-sided screen program), attendance program, and people counting & temperature screening program. • Supports creating a loop schedule, customizing a schedule, or creating schedule by day, by week, or by default. • Software license must be perpetual and there must not be any recurring cost.
